

Security and Automation

Bringing innovative smart home and security solutions to your home.

The 2GIG EDGE™ panel sets a new benchmark in form and function. On the edge processing enables touchless disarm and industry first security system with built-in facial recognition on the panel itself — so all data stays private for greater peace of mind.

-  Wi-Fi Access Point
-  Face Recognition
-  Bluetooth Disarm
-  Geofencing
-  Smart Home Controls & Scenes
-  Video Live View
